

February 1, 2022

Good Afternoon YCS Families and Staff,

According to the most updated weather forecast, there is a severe winter storm heading toward Washtenaw County. Our first priority is to keep our students and staff safe. Due to the forecast of inclement weather conditions, Ypsilanti Community Schools will be closed on Wednesday, February 2, 2022. This will be a snow day. A snow day does not require students or staff to report to school or participate in virtual learning programs.

All after-school programs and athletics for tomorrow, Wednesday, February 2, 2022, will be canceled.

We will continue to monitor the weather and road conditions. If it is unsafe to report to school later this week, we may move to virtual learning on Thursday, February 3rd, and Friday, February 4, 2022. School closure updates will be communicated via email, school messenger, and the district website.

As always we appreciate your partnership. Stay well and please be safe.

Dr. Alena Zachery-Ross, Superintendent
