**Washtenaw County's first FREE Dual Language Spanish Immersion School Program!**

Announcing Washtenaw County's first-ever FREE, public Dual Language Spanish Immersion School Program—where our scholars don't just learn a language, they live it. In this powerful, one-of-a-kind academy, native English and Spanish speakers learn side by side, becoming bilingual, biliterate, and academically accomplished in both languages. Beginning in kindergarten, our scholars are immersed in Spanish 90% of the day, with English gradually added as they grow. Our scholars are reading, writing, thinking, and thriving in two languages—opening doors to endless opportunities. This is more than a program; it's a movement toward equity, excellence, and global readiness.

The only academy of its kind in Washtenaw County. Enrollment is limited—
