YPSI Live – Internet Essentials Enrollment Information

In need of a reliable Internet connection at home? YCS is partnering with Comcast to provide 6 months of free Internet.

WHAT DO YOU NEED TO SIGN UP?

1. Have a student(s) that attends Ypsilanti Community Schools.
2. No reliable internet connection at home.
3. The household has not been a Comcast Internet customer within the last 90 days.
   a. If you have been a Comcast Internet customer within the last 90 days, but need the Internet, please call us. We are seeking other options to provide Internet access to our YCS families.
4. An adult (18 years or older) of the home where a YCS student lives must sign up.
5. The adult that is signing up must enter their social security number or other government-issued ID that is accepted by Comcast.
   a. A Washtenaw County ID card will work.
6. **Times that a resident (18 years or older) can be present to accept the self-installation kit (no face to face contact needed and no one will enter your home).**

HOW DO I SIGN UP?

Call or email the school building that your student attends. There is a team of YCS staff that will return your phone call/email and provide you with details regarding enrollment.
